

Curriculum Vitae

Viktoriia Belava

PERSONAL INFORMATION

BELAVA VICTORIA NASARIVNA

2, Akademika Hlushkova avenue (bilding 12), Kyiv, Ukraine ESC "Institute of biology and medicine", room 458
+38(044) 431 04 18
viktoriia.belava@knu.ua, v987@ukr.net,

ORCID: 0000-0001-7802-4166
Scopus Author ID: 35558130400
Web of Science Researcher ID AAD-3648-2022

Sex F | Date of birth 04/07/1969 | Citizenship Ukraine

Scientific degree (degree, specialty)	PhD degree in Plant Physiology
Academic rank	Associate Professor
Position	Associate Professor
Department	Plant biology
Faculty / Institute	Educational and Scientific Center "Institute of Biology and Medicine"
Part-time position	—

EDUCATIONAL DISCIPLINES IN WHICH WAS INVOLVED:

Current year	<ol style="list-style-type: none">1. «Plant Physiology», 2-nd and 3-rd years of Bachelor's degree (Educational program "Biology"), laboratory classes.2. «Ornamental plants grow indoors and fundamentals of biotechnology» (Educational program "Landscape design and decorative gardening"), 4-th year of Bachelor's degree, lectures and practical course.3. «Decorative nursery», 2-th year of Bachelor's degree (Educational program "Landscape design and decorative gardening"), lectures and practical course.4. «Monitoring and accounting of garden and park objects», lectures and laboratory classes for 4-th year of Bachelor's degree (Educational program "Landscape design and decorative gardening").5. «Formation of recreational landscape and balneology», 4-th year of Bachelor's degree (Educational program "Landscape design and decorative gardening"), lectures and practical course.6. «Agricultural engineering of green construction», 3-th year of Bachelor's degree (Educational program "Landscape design and decorative gardening"), lectures and practical course.7. «Labor protection and life safety during garden and park works», 1-th year of Bachelor's degree (Educational program "Landscape design and decorative gardening"), lectures and practical course.8. «Plants protecting tools», 1-th year of Master's degree,
--------------	--

	lectures and practical course. 9. Educational practice in floriculture and landscaping of populated areas, 3-rd year.
Previous years	<ol style="list-style-type: none"> 1. «"Plant anatomy», for BSc students, the 1-st year. 2. «Botany» for BSc students, the 1-st year. 3. «Plant Physiology» for BSc students, the 2-nd year. 4. «Plant Physiology and Biochemistry» for BSc students, the 3-rd year. 5. «Floriculture» for BSc students, the 3th year. 6. «Laboratory Workshop on Plant Biology» for BSc students, the 3-4-th year. 7. «Plant Physiology and Biochemistry», for BSc students, the 4-th year, extramural course. 8. «Root nutrition of plants», for BSc students, the 4th year. 9. «Embryogenesis of vascular plants», for MSc students, the 2-nd year. 10. «Plant growth regulators» for MSc students, the 2-nd year. 11. «Biologically active substances of plants», for MSc students, the 2-nd year. 12. «Regulation systems in plants» for MSc students, the 1-st Year. 13. «Environmental management» for MSc students, extramural course, the 1-st year. 14. «Environmental management» for MSc students, the 1-st year. 15. «Embryogenesis of plants» for MSc students, the 2-nd year. 16. «Physiology and biochemistry of seeds» for MSc students, the 2-nd year. 17. «Phytohormonology», for MSc students, the 1-st year. 18. «Biodiversity conservation strategies», lectures and practical course for MSc students, the 1-st year (Educational program "Biology"). 19. «Growth regulators and plant protection products in urban environments», lectures and practical course for MSc students, the 1-st year (Educational program "Landscape design and decorative gardening "). 20. «Biology of medicinal plants», 4-th year of Bachelor's degree (Educational program "Biology"). 21. «Inventory and operation of garden and park facilities», lectures and practical course for 4-th year of Bachelor's degree (Educational program "Landscape design and decorative gardening "). 22. «Decorative nurseries and seeds», 4-th year of Bachelor's degree (Educational program "Landscape design and decorative gardening "), lectures and practical course. 23. «Poisonous and medicinal plants in an urbanized environment», for MSc students, the 1-st year.

SCIENTIFIC AND PEDACOGICAL EXPERIENCE

Period (starting from last)	Description
Since 02.02.2017	Associate Professor of Plant Biology Chair
	Taras Shevchenko National University of Kyiv; 64/13, Volodymyrska Street, City of Kyiv, Ukraine, 01601; http://www.knu.ua/ .
	Education
01.09.2011 – 01.02.2017	Associate Professor of Plant Physiology and Ecology Chair

	Taras Shevchenko National University of Kyiv; 64/13, Volodymyrska Street, City of Kyiv, Ukraine, 01601; http://www.knu.ua/ . Education
01.09.2010 – 30.06.2011	Assistant Professor of Plant Physiology and Ecology Chair Taras Shevchenko National University of Kyiv; 64/13, Volodymyrska Street, City of Kyiv, Ukraine, 01601; http://www.knu.ua/ . Education
03.11.2008 – 31.08.2011	I category engineer at the Research Laboratory "Physiological bases of plant productivity" of Biological Department (10.11.2010 – Educational and Scientific Center "Institute of Biology") Taras Shevchenko National University of Kyiv; 64/13, Volodymyrska Street, City of Kyiv, Ukraine, 01601; http://www.knu.ua/ . Science
12.11.2012 – 03.10.2005	I category specialist of the Department of Human and Animal Physiology Taras Shevchenko National University of Kyiv; 64/13, Volodymyrska Street, City of Kyiv, Ukraine, 01601; http://www.knu.ua/ . Education
02.12.1991 – 11.11.2012	Engineer of the Department of Human and Animal Physiology Taras Shevchenko National University of Kyiv; 64/13, Volodymyrska Street, City of Kyiv, Ukraine, 01601; http://www.knu.ua/ . Education
01.08.1991 – 18.11.1991	Engineer of the Department of Plant Physiology M.G. Kholodny Institute of Botany NAS of USSR 2, Tereshchenkivska st., 01601, Kyiv, Ukraine; http://www.botany.kiev.ua/ . Science

EDUCATION AND TRAINING

Period (starting from last)	Description
2021	Taras Shevchenko National University of Kyiv KNU Teach Week.
15.10.2020 – 15.11.2020	Internship M.G. Kholodny Institute of Botany NAS of Ukraine «Investigation of seed condition at the stages of germination and maturation under stress conditions».
01.10.2005 – 30.09.2008	PhD student Kyiv State T.G. Shevchenko University Title of PhD thesis «Protective reactions of wheat varieties of different resistance to <i>Pseudocercospora herpotrichoides</i> »
01.09.1986 – 30.06.1991	Student Kyiv State T.G. Shevchenko University Title of Master's thesis «The content of phytohormones in seeds of beans at different stages of formation and germination».

PERSONAL SKILLS

Name	Level (description)
Native language	Ukrainian
Foreign language	English
Communicative competence	She acquired skills of cultivation of phytopathogenic fungi in vitro at the Institute of Plant Protection of NAAS of Ukraine. She mastered the RT-PCR method at the Institute of Experimental Pathology, Oncology and Radiobiology named after R. Ye. Kavetsky National Academy of Sciences of Ukraine. She mastered biochemical methods of plant research at the Taras Shevchenko National University of Physics of Plant Productivity Research Institute.

Organizational / management competence	Supervisor of practices, course works and Master's thesis. Member of the jury of the student's scientific works competition, student's olympiad, competition INTEL ECO Ukraine. Member of SMC ESC "Institute of Biology and Medicine". Curator
Other computer skills	Use the software to create presentations, posters, statistical processing of scientific research results, to edit pictures and photos.
Professional skills (not mentioned above)	Methods of obtaining and cultivation plants, phytopathogenic fungi and suspension cultures in vitro, estimation of plant growth in vitro. Methods of assessing the plants response to the stressors action.
Fields of professional interests	Sick plant anatomy and physiology, mechanisms of interaction in a plant-pathogen system. Secondary metabolites in the plant and in vitro environment.

ADDITIONAL INFORMATION

Item	Titles of publications, projects, conferences, awards and prizes, memberships in academies and societies etc
